# FOOD & TECHNOLOGY

The Food & Technology Expo is being organized by NNS, India's most diversified

media group since 1950, at New Delhi, India, in fully air-conditioned Halls.

Like its earlier editions, the Food & Technology Expo - 2020 will provide an excellent platform for food grains processing technologies providers, agro based industries, food processing sector, hospitality sector, health & Fitness sector, related technologies & service providers and government departments to display and discuss their latest innovations.

The Food & Technology Expo is held in India, the billion people market with vast opportunities for international and local players in the food processing sector, hospitality sector and fitness sector. The Food Processing Industry sector in India is one of the largest

in terms of production, consumption, export and growth prospects. The government has accorded it a high priority, with a number of fiscal relief and incentives, to encourage commercialization and value addition to agricultural produce; for minimizing pre/post harvest wastage, generating employment and export growth.

The exhibition will feature Manufacturers / Suppliers of Food Processing & Packaging Machines & Equipments, Processed Foods, Beverages, Bakery Products, Dairy & Agri Products, international importers - exporters of raw products, Storage, Handling, Transportation Systems, Refrigeration, Cold Chain Solutions providers etc.

Whether your business is well established or new to the trade, the Food & Technology Expo will facilitate your company's contacts, growth and prosperity. You'll meet new customers, and business partners, and find more ways to profit in these dynamic industries.

## Post Show Report of Last Edition :

Showcasing the food processing schemes of the central and various state governments, food processing technologies, processed foods and fresh fruits & vegetables etc., 'NNS Media Group' organized the 'Food & Technology Expo' on 1-2-3 August, 2019 in Pragati Maidan, New Delhi. The main objective of the 'Food & Technology Expo' and concurrent shows is to bring the food processing sector, agro based industry, related technologies & service providers, consumers and government departments on one platform and provide them the opportunity to showcase their products/services and form fruitful market alliances.

The expo was inaugurated by **Shri Rameswar Teli**, Hon'ble Minister of State for Food Processing Industries, Govt. of India
